

Eagle View is committed to providing quality health care services to all.

Insurance

Eagle View is proud to accept most insurances, including Iowa & Illinois Medicaid/Medicare.

We also offer a Sliding Fee Discount Program, which provides discounts to medical, dental, and behavioral health services. This program is available to those who qualify based on income and household size.

Public Health Service

Eagle View receives HHS funding and has a federal Public Health Service deemed status with respect to certain health or health-related claims, including medical malpractice itself and its covered individuals. For more information, please see <https://bphc.hrsa.go.ftca/>.

Why Eagle View?

Eagle View Community Health System is a federally qualified health center (FQHC) located in Midwest Illinois. Eagle View is proud to offer quality medical, dental, and behavioral health services to all, regardless of their ability to pay. Eagle View is well equipped to serve all individuals across a five-county service area and beyond.

The FQHC is a federal designation assigned to non-profit or public health care organizations that serve uninsured, underinsured or medically underserved populations.

Language Assistance

If you speak Spanish or other languages and need an interpreter, language assistance services are available free of charge.

Si habla español, tiene a su disposición servicios gratuitos de asistencia lingüística

Did you know?

You can prolong your life and lower the cost of your healthcare just by taking control of your health.

An annual health exam with your provider can help assess and improve your overall health and well-being.

Ask us about health screenings, exercise, nutrition planning, and special self-management programs we offer to keep you on track with our shared health goals.

Let Eagle View be your Patient Centered Medical Home

As a Patient Centered Medical Home, Eagle View can:

- Help you manage your health care
- Help answer your health questions
- Listen to your concerns
- Work with other medical experts if necessary
- Encourage you to play an active part in your own health care
