

A medical home is a team approach to providing total health care.

Your medical home team will include your healthcare provider, others who support you, and - most importantly - you.

Public Health Service

Eagle View received HHS funding and has a federal Public Health Service deemed status with respect to certain health or health-related claims, including medical malpractice itself and its covered individuals. For more information, please see <https://bphc.hrsa.go.ftca/>.

*Welcome to your
medical home.*

Your medical home can:

-  Help you manage your health care
-  Help answer your health questions
-  Listen to your concerns
-  Work with other medical experts if necessary
-  Encourage you to play an active part in your own health care

Did you know?

You can prolong your life and lower the cost of your healthcare just by taking control of your health.

An annual health exam with your provider can help assess and improve your overall health and well-being.

Ask us about health screenings, exercise, nutrition planning, and special self-management programs we offer to keep you on track with our shared health goals.

What we offer:

Medical Services

- Chronic disease management
- Cancer screenings
- Annual wellness exams

Dental Services

- Routine dental care
- Teeth cleaning
- Dentures

Mental Health Services

- One-on-one counseling
- Group therapy
- Teletherapy

Substance Use Services

- One-on-one counseling
- Group therapy
- DUI evaluations

We're here for you:

24/7 Acces to Medical Advice

An on-call answering service is available when the office is closed. This line can be used for non-emergency clinical advice after hours. To reach this service, call (866) 346-1337.

Patient Portal

Our Patient Portal facilitates better communication with your physician's office by providing convenient 24/7 access from the comfort and privacy of your own home or office.

Things to bring to your appointment:

-  State issued I.D and current insurance card
-  A list of questions to ask your provider
-  A list of all current medications

What to do after your appointment:

-  Use your own words to repeat back the things you've discussed with your team. This way, both you and your team will know the information is clear.
-  Ask your team about how to reach them after hours.
-  Before you leave the office, be sure you know the things you need to work on before your next appointment.
