

Who we are

Eagle View Community Health System is a federally qualified health center (FQHC) located in Midwest Illinois. Eagle View is proud to offer quality medical, dental, and behavioral health services to all, regardless of their ability to pay. Eagle View is well equipped to serve all individuals across a five-county service area and beyond.

The FQHC is a federal designation assigned to non-profit or public health care organizations that serve uninsured, underinsured or medically underserved populations.

Why Eagle View?

Eagle View Community Health System believes everyone should have access to quality, affordable, integrated medical, dental, and behavioral health services. Eagle View addresses the physical and emotional well-being of adults, adolescents, and children.

Eagle View does not deny services based on an individual's race, color, sex, national origin, sexual orientation, disability, religion, or age or ability to pay.

Your Patient-Centered Medical Home

Eagle View is a Certified Patient-Centered Medical Home (PCMH). A medical home is a team approach to providing total health care. Your medical home team will include your healthcare provider, others who support you, and - most importantly - you.
